JACKSON COUNTY HIGHWAY RIGHT-OF-WAY
WORK PERMIT
 (MISC. WORK OR EXCAVATION APPLICATION)

Date of Application _____, 20 ____

Name of applicant _____

P.O. / Address _____

Project is located on **County Rd.** _____ / **Township Rd.** _____

1. Will the proposed work affect the existing road pavement? **Yes / No** _____

2. Description of work: _____
 (attach additional sheet if necessary)

3. Describe beginning point or location of work: _____

4. In what direction will work proceed? **North / South / East / West / N/A** Length of work: _____ ft.

5. Length of time required for completion of project: _____ day(s).

6. A. Open pavements cuts shall not be permitted unless no reasonable alternate work method is available.
 B. If proposed work requires the opening of the pavement, give the following information:
 C. The opening to be made in the pavement will be _____ feet long by _____ feet wide and _____ deep. Arrangements are to be made with the County Engineer prior to any opening of the pavement.
 D. Pavement is to be replaced by: _____ as directed by and to the complete satisfaction of the County Engineer.

7. Two (2) working days notice shall be given to the Jackson County Engineer's Office before commencing the above work in order to inform the public.

8. All work performed by the applicant shall be under the inspection and approval of the Jackson County Engineer.

9. All roadside facilities (culverts, guardrail, signs, etc.) and areas disturbed by the applicant's work shall be returned to their original conditions, including seeding & mulching.

10. The applicant shall provide all labor, equipment and materials necessary to complete the permit work.

11. If applicant is excavating, he/she is responsible for calling "OUPS" at 1-800-362-2764 as well as all non-OUPS utilities at least 2 days prior to start of work, for the safe location of existing utilities in county road right-of-way.

12. The applicant shall maintain traffic at all times. All work requiring men or vehicles on the pavement or shoulders shall comply with all the requirements of the Ohio Manual of Uniform Traffic Control Devices and Item 614 (Maintaining Traffic) of the Ohio Department of Transportation Construction and Material Specifications. Failure to comply with this requirement will be cause for immediate suspension of the permit until proper traffic controls (flaggers & warning signs) have been provided.

13. The applicant assumes liability for all actions associated with the work done by the applicant and will save the County harmless from any and all claims for personal injury and property damages arising out of work done.

14. The applicant may be required by the Jackson County Engineer to secure a performance bond or certified check in an amount sufficient to insure the completion and restoration of the work performed by the applicant in the road right-of-way. **A PLAN OR DRAWING MUST BE SUBMITTED WITH THIS APPLICATION.**

Date: _____ **I, the applicant hereby agree to comply with all of the above conditions, restrictions and regulations of the Jackson County Engineer.**
